### Changes in this issue

A label change has been made in the December quarter 2022 edition of the Modellers' Database:

- Series ID A2454517C, previously labelled 'Total employed' has been changed to 'Total labour force' to better reflect the concept being measured

The Modellers' Database contains 119 series derived from National Accounts and Labour Force data to facilitate modelling requirements of stakeholders.

## Rounding

Any discrepancies between totals and sums of components are due to rounding.
